NEWSPAPER NOTICE
On August 20, 1992, the Federal Communications Commission designated for hearing the applications of Dixie Broadcasting, Inc. for renewal of licenses for Stations WHOS(AM) and WDRM(FM), Decatur, Alabama. Station WHOS operates on 800 kHz and WDRM operates on 102.1 MHz.
The applications of Dixie Broadcasting, Inc. for renewal of its licenses to operate Stations WHOS and WDRM in the public interest were referred for filing with the Federal Communications Commission on December 1, 1988. After considering these applications, as amended, and the subsequent Petition to Deny filed by Region V of the NAACP and the National Black Media Coalition, the FCC has determined that it is necessary to hold a hearing to decide the following questions:
(1) To determine whether the licensee of Stations WHOS(AM) and WDRM(FM) made misrepresentations of fact or was lacking in candor and violated Section 73.1015 of the Commission's Rules, 47 C.F.R. Section 73.1015, with regard to the stations' EEO program and documents submitted in support thereof;
(2) To determine the extent to which the licensee of Stations WHOS(AM)/WDRM(FM) complied with affirmative action provisions specified in Section 73.2080(b) of the Commission's Rules, 47 C.F.R. Section 73.2080(b);
(3) To determine whether, in light of evidence adduced pursuant to the foregoing issues, a grant of the subject license renewal applications would serve the public interest, convenience and necessity.

The hearing will be held in Decatur, Alabama, or vicinity, commencing at 10:00 a.m. on February 2, 1993. Members of the public who desire to give evidence concerning the foregoing issues should write to the Federal Communications Commission, Washington, D.C. 20554, not later than October 10, 1992. Letters should set forth in detail the specific facts concerning which the writer wishes to give evidence. If the FCC believes that the evidence is legally competent, material and relevant to the issues, it will contact the person in question.
Copies of the WHOS(AM)/WDRM(FM) applications, amendments thereto, and related materials, are on file for public inspection at the main studio of Stations WHOS(AM) AND WDRM(FM), which is located at 401 14th Street, Decatur, Alabama.
